Park**

Don't forget - mark your calendars September 12 & 13 to join us in beautiful Piedmont Park for the 3rd Annual Atlanta Arts Festival, featuring the finest painters, sculptors, leather and metal craftsman and glass blowers in the country!

Stroll the artist market for that perfect find, watch live woodturning demonstrations and enjoy great festival food and entertainment. Don't miss the RE-ART Station, where budding artists can create their own green work of art using repurposed materials.

The artist market is free and open to the public. With items at every price point, all purchases will help support the arts.

Artist Market Hours:

Saturday, September 12, 10am -7pm

Sunday, September 13, 10am -6pm

The Atlanta Arts Festival encourages you to take MARTA to the Midtown or Arts Center Station.
